EDGEWATER FITNESS GROUP EXERCISE

Floor Barre **MS FLEX C**

Use the principles of ballet to sculpt your body with long lean muscle, with a class performed entirely on the floor.

PiYo **FLEX C CH B**

A unique 45-minute core-strengthening workout inspired by Yoga and Pilates. This dynamic, rhythmic flow builds strength and flexibility.

Insanity **C CAR**

Take intensity to an extreme with this strength and cardio based workout that will target all of your major muscle groups to burn fat and max out endurance.

Step **CAR**

Using an adjustable step, this class incorporate choreographed exercise routines that offer a low impact workout with high cardiovascular results.

Les Mills BODYPUMP **MS CAR**

A choreographed, full-body workout using barbells and classic strength training moves to challenge all your major muscle groups.

Resist-a-Ball **MS C CAR**

This cross-training class uses a ball and weights to create resistance which will improve muscular strength and cardiovascular fitness.

Bootcamp **MS C CAR B**

An endurance-based workout that mixes calisthenics and bodyweight exercises to shred fat, define muscle, and enhance athletic performance.

Zumba **CAR**

Upbeat music and easy to follow dance moves combine to create this powerful and dynamic workout that will blow you away.

Cardio & Sculpt **MS C CAR**

Keep your body guessing with a fast-paced boot camp/body sculpt style class that is excellent for any fitness level.

Tai Chi Fit **C B CH**

Looking for stress relief? Look no further than this graceful practice often described as meditation in motion.

Treading **CAR**

Test your strength and endurance with a sequence of intervals, sprints, and more. This cardio workout will burn calories and get your heart racing.

HIIT **MS C CAR**

A boot camp style class that alternates between periods of short, intense exercise and recovery. Great for those looking for a tough workout!

Tread & Sculpt **MS CAR**

Similar to our classic tread class, but with an added twist of a 30-minute full body strength training sequence to create lean muscle.

Total Core **C**

A 30-minute class that will focus entirely on sculpting your abdominal muscles and stabilizing the supportive muscles in your lower back.

Cycle **CAR**

Bring your cycle workout indoors and bike hills, peaks, and flats to the beat of powerful music. Tone your legs and burn calories fast!

Cycleates **FLEX C CAR**

30 minutes of an invigorating cardio workout followed by 30 minutes of a lengthening and strengthening Pilates series.

Yoga I **FLEX CH B**

(Yin Yoga & Sunrise Yoga) A gentle approach to yoga, designed for all levels and focusing on alignment and breath to renew and restore.

Yoga II **MS FLEX C CH B**

(Vinyasa Yoga & Power Yoga) Connect postures to breath as you move through standing and balance series that create a dynamic flow.

Core de Force **CAR C B**

A mixed martial arts-inspired workout designed to slash inches off of your waist, blast belly fat, and create total body definition - no equipment needed!
